Effective Management made EASY and FUN

Friday 16th of September 2011
1.30pm - 5.30pm

Session 1 - The World of DiSC

Presented by Nerida Guerin, Director, Garner Business Solutions.

Imagine being able to better understand what motivates you and your colleagues. The World of DiSC will introduce you to the power of the DiSC profiles and tools. You will explore the priorities that drive you during your workday and gain insight into how your style influences the way you make decisions and approach problems.

Session 2 - Introduction to GRaSP (Get Real and Start Playing)

Presented by Tracey Smythe, Treehouse Secret's (THS) Play Specialist, invites business representatives to experience the benefits of Play Culture first hand. Discover how;

*PLAY stimulates your most important resource, your people, allowing them to think in a new way, creating a workplace of possibilities.

*PLAY allows for cooperative, all-inclusive connections between an organisation and its people. Driving everyone to move in the same direction as 'we'.

*PLAY is a process and a mind set, looking for ideas rather than solutions and focusing on possibilities.

*PLAY builds creativity to permeate all aspects of the workplace.
