Go to [www.enablehr.com.au/xero](http://www.enablehr.com.au/xero) and become an enableHR Partner.  
**Xero Platinum, Silver and Gold Partners need to register as an enableHR Partner via the exclusive offer.**
- 2 Book your appointment**  
Our enableHR Certified HR Partners and their contact details are listed on site.
- 3 Use your enableHR account**  
Click on 'add a client'. Get 20% off automatically when purchasing enableHR for your practice.  
**Note for:** Xero Platinum, Gold and Silver Partners – your own enableHR subscription is already activated.
- 4 How is the enableHR Partner program different?**  
Read the case study with James Solomons, Director of EFS Strategic as to why they recommend enableHR for their clients.

## Ensure you get the right advice

Connect with one of our Certified enableHR Human Resources Partners and for \$395 plus GST you can receive training, a free Health Check and implementation support.\*

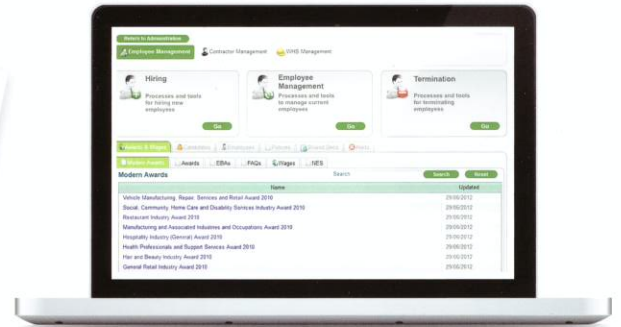

*"As a true business advisor, it's important to discuss how clients are covering their HR and Work Health and Safety (WHS) obligations and to be able to offer an online HR solution – preferably one that interfaces with accounting and payroll. Protecting your own and your clients' business is good business"*

**James Solomons**

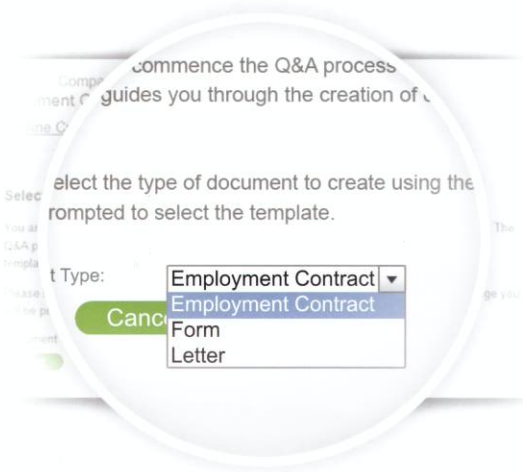

Director, EFS Strategic and Xero Partner

\*a minimum of 2 hours consulting time provided by enableHR Certified HR Partners

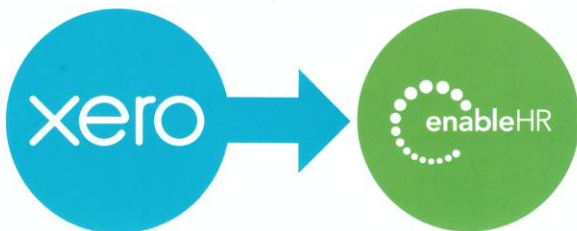

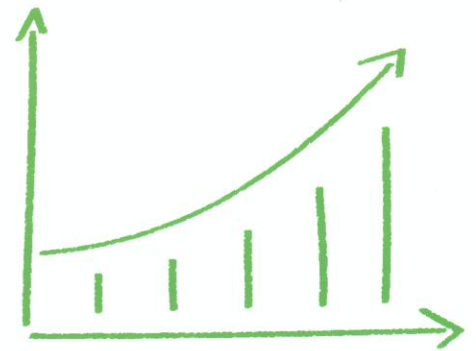

enableHR is the trusted online HR and WHS tool for over 7000 Australian Businesses to manage their people and safety obligations. You have added confidence as enableHR is backed by FCB Law, the largest independent workplace relations specialist firm in Australia.

enableHR is your default HR Administrator to manage Employees, Contractors and WHS obligations. Create employment contracts in minutes storing them securely. Step by step checklists guide you through the employee lifecycle. Dashboards and reporting enable you to see your HR and WHS activity at a glance.

Our network of enableHR Partners embrace innovation and better ways to manage HR for their clients. Grow and retain clients by recommending or bundling - generating annuity income streams for your business.

### Accounting | Payroll | HR

enableHR is a Xero Certified Add-on Partner. Employee files can be created and updated at a click from Xero Payroll into enableHR.
